About Us

HELLO!

Welcome to Coopers Estate Agents

As a company we look to be at the forefront of the industry in technology, marketing, innovation and training whilst expanding the company organically and strategically.

Our aim is to build a customer orientated company based on treating everyone as a potential customer by a team of talented, knowledgeable, hardworking and energetic people who take pride in everything they do.

GROWING

We pride ourselves on recruiting bright and enthusiastic individuals and providing them with a dynamic, friendly and professional environment to thrive in.

Our promotion from within policy assures them that they can build a career with us which has resulted in us having fantastic staff retention.

The majority of our team have been with us for many years and nothing pleases us more than seeing one of our new starters developing into a senior role.

HOLDING ONTO OUR BELIEFS

There is no secret to our success. Energy, understanding and innovation are the drivers of our business and we are fuelled by a passion for what we do.

CUTTING EDGE

Our investment in the latest innovations conveys the modern approach we believe in.

We continuously look to innovate and differentiate ourselves when it comes to our people, technology and marketing, so that we are able to provide our clients with the best service available.

Enjoying central locations, our offices are easily recognisable for their contemporary style, featuring images of many local landmarks, interactive maps and synonymous branding. The eye-catching design has been created to provide a better service and a more comfortable one-to-one experience for all our clients.

EXPERTS

Our people are our biggest asset and the continuous training which they undergo ensures each of our clients are given the most up to date and useful advice available.

Each member of our team has acquired industry recognised qualifications to enrich their existing understanding of the property market. Our sales team have accomplished Technical Awards in the Sale of Residential Property, whilst our Lettings teams have attained Technical Awards in Residential Letting and Property Management.

All of our staff live locally which means they possess an unrivalled knowledge of the area. Having this expertise enables us to be informative about school catchment areas, transport networks and local amenities.

A person is diving headfirst into a pool of water, creating a large, billowing cloud of white bubbles that rises towards the surface. The diver is wearing a dark swimsuit and is positioned vertically on the left side of the frame. The background is a deep, dark blue, suggesting an underwater environment.

TAKE THE PLUNGE!

Selling or letting your property can be confusing but we are on hand to provide expert advice to help you through your journey.

We understand that renting out a property or selling your home can be a stressful process which is why we aim to guide you through the process as smoothly as possible, whilst being on hand to advise you on any complex issues that may arise.

Having built our company on a strong service orientated approach we have made a reputation for looking after our clients and always keeping their best interests at heart.

BESPOKE

We understand that every person and property is different which is why we work hard to meet each individual need.

One of the most important traits our team have acquired is the ability to listen. This means we can adapt our service to suit our client's wishes.

We are also able to offer marketing campaigns that are specifically tailored for each property, meaning we are able to generate a maximum response from suitable buyers and tenants in the marketplace.

HIGH PERFORMANCE

We pride ourselves on recommending the best sales or lettings process to achieve a premium price for your property.

The integrity and professional approach which we strive to maintain can be reflected by our ranking on All Agents, 'the Trip Advisor of estate agencies', where we are ranked within the top 30 estate agents in the UK.

Once instructed to market a property, we are very focused on matching our clients expectations of us. With an average of 22 days on the market for sales and 12 days for letting a property our team strive to get results quickly.

ALL HANDS ON DECK

The team at Coopers have a fantastic work ethic. This hard work and commitment enables us to offer a first-class service to all of our clients.

As an independent Estate Agent we feel that having one of the three partners overseeing every sale and let means that attention to detail and incomparable service levels are assured.

When it comes to property management we have a dedicated team of professionals who manage the various issues that inevitably arise during each tenancy. Each of our specialists works hard to find the most timely, cost effective and lasting solutions to every management issue.

DIGITAL

We strive to be at the digital forefront by utilising a range of multimedia tools which enable us to reach the widest audience possible.

LET'S PUT ON A SHOW

Say something right the first time to the right audience.

Our bespoke marketing campaigns are designed to make a high impact and to achieve a premium price for each property.

Our large database of prospective buyers and tenants regularly enables us to find a qualified applicant for your property without the need for a mass marketing campaign.

Our in-house marketing team are continuously researching new ways to market properties and make them stand out from the crowd.

Over the years we have built strong relationships with many local schools, Hillingdon Hospital and community clubs in the area.

Our recent charitable work saw the Coopers team raise substantial funds for the children's wards at Hillingdon Hospital through a series of fundraising events.

We feel that supporting these organisations helps underpin the foundations of the local community and we are proud to be a part of the area's ongoing growth.

Our Journey

1986 - Jack Cooper opened the first Coopers Residential Office in Hillingdon Hill. For many years Jack operated as a one man band and it was his friendly nature that ensured business continued.

2004 - Jack's son, Mark Cooper, took over the business; Mark came with the ambition to see the company evolve.

2006 - David Sargent joined the company to take control of the Hillingdon Sales.

2009 - Mark took Coopers Lettings to the West End in 2009 where Coopers of London opened its doors in Marble Arch.

2010 - Saw us open our office in Ruislip High Street. Steven Nuttall became the third partner.

2012 - 71 Victoria Road, Ruislip Manor became our fourth office.

2013 - We took the decision to open a fifth office in Uxbridge town centre.

2013 - Also saw Coopers of London open a new office in Fitzrovia with both a lettings and sales department.

2014 - On the 2nd of January 2014 the doors of our West Drayton office opened.

2015 - On Saturday 19th December we opened our new Ickenham branch on Swakeleys Road.
